## Work Experience

### Director, Storyboard Artist, & Animator - Bento Box (2022 - present, freelance)

Directing and creating short form animated content for Bento Box's digital studio. Responsible for creating concepts, writing, storyboarding, animation, editing, sound design, and voice acting.

### Storyboard Artist (Feature Animation) - BASE Fx (2020-2022)

Developed storyboards for a board-driven animated feature film (children/family comedy). Responsible for collaborating with the Director and creative department heads to discuss storytelling, pitch rough storyboards, and provide cleaned-up storyboards with attention to clarity and entertainment value.

### Director, Writer, & Animator - CAKE (FX) (2021)

Created an animated short that was included in an episode of FX's show "CAKE" on Hulu.

### Animator & Writer - BuzzFeed (2020)

Created short form 2D animated content for Tik Tok, Instagram, and the occasional branded opportunity. Responsible for writing, storyboards, animation, editing, and sound design.

### Storyboard Revisionist - Short Film Project (2020)

Storyboard Revision on a short film project headed by Colleen McCallister.
